Our school strategies are on track to meet or exceed our targets

During 2015, we have focused on maximising the benefits of this funding for our students. After reviewing our *Great Results Guarantee* agreement, it is clear that we are on track to meet or exceed our targeted student outcomes. We continue to implement our strategies to ensure that every student succeeds.

Strategies implemented include:

- Embedding the explicit teaching of decoding and comprehension strategies for reading.
- Embedding the explicit teaching of Mathematics.
- Continuing to collect and analyse internal and external student achievement data to inform teaching and learning practices and identify areas for intervention and extension through the use of short term data cycles and team meetings - *Sharratt and Fullan (Putting Faces on the Data)*. Specifically through:
 - Parameter 3. Time Tabled Literacy and Numeracy Blocks
 - Parameter 5. Early and Ongoing Intervention
 - Parameter 6. Case Management Approach
